

2014 Sees A New Selling Venue for Wandoan Sale

In 2013 the Wandoan sale kicked off with a brand new look, this year we're going with a brand new selling venue. Over the past few months the Wandoan community has been busy with an upgrade to the Multipurpose Livestock Handling Facility located at the Wandoan Showgrounds. This upgrade has included the redesign and building of a new section of the yards increasing holding capacity and with the installation of 6 troughs bringing the total to 11 permanent water yards, a new loading ramp and a livestock wash bay. One of the most important features of this upgrade has been the design of a selling ring and permanent auctioneer's box.

The new venue will provide buyers with grandstand seating for over 150 people allowing buyers better viewing and comfort while making their purchases. The penning-up yards are located in close proximity to the sale ring enabling buyers to efficiently view and compare bulls.

The overall easy flow of the yard design will ensure bull sales can be conducted with ease and efficiency and in a safe manner, for both the bulls and the public.

This year our sale will be on Monday 22nd September starting at approx 2.30pm. We will be offering 50 bulls the majority of which are classified "S" with a large percent being polled. All bulls have been classifier approved and will be fully vaccinated, semen and soundness evaluated and tested free from pestivirus. Bulls will be available for inspection at the Wandoan Showgrounds new sale venue from 12noon on Sunday 21st September. Please visit our website www.wandoansgbullsale.com.au for further details with the catalogue and bull pictures being available mid August.

Our sale motto is "Quality Bulls from Start to Finish" and we endeavour each year to achieve this, with this sale having an exceptional line up of bulls for both the stud and commercial buyer. Our commitment to our clients stands the same and this year we will again be offering free delivery to nominated centres, and a 5% outside agents rebate (conditions apply).

Looking forward to seeing you all at our new sale venue at the Wandoan Showgrounds. 🍷
