

Brand New look for Wandoan Sale

Monday, September 23rd at the new time of 10.30am will see the Wandoan Santa Gertrudis Bull Sale kicks off at the Wandoan Saleyards.

This year the Wandoan sale has a fresh new look with a new logo, a brand new Sale Banner and a new marketing direction including a new website www.wandoansgbullsale.com.au. Some things we haven't changed though and that's our commitment of "Quality Bulls from Start to Finish". This year our sale also has a new start time of 10.30am.

The website will give our buyers a profile of all the vendors involved in the sale, sires that are in use, vendor news and closer to the sale time pictures of the sale draft with a link to our sale catalogue enabling them to view the catalogue online. All these things will allow the buyer to make a well informed easier decision when purchasing their bulls at our sale.

This year we will be offering 90 bulls that are majority classified 'S' and with a large percentage polled. The small percentage of commercial bulls are classifier approved to the same standards as the 'S' bulls. All the bulls are fully inoculated and semen and soundness evaluated by a registered veterinary surgeon. Again this year all bulls will be tested negative for pestivirus which gives our buyers that extra peace of mind. All bulls in the sale are blooded with 3 Germ so they are able to go straight to work if going into tick country.

We feel it's important to look after our buyers and as in previous years we will be offering free delivery to nominated centres, a freight rebate of \$50 per bull when purchasing 5 or more bulls from other areas and a 5% outside agents rebate (cond. Apply). Bulls are available

for inspection from midday on Sunday.

For more information or to receive a catalogue visit our website www.wandoansgbullsale.com.au or Phone 07 46283115. Looking forward to seeing you all at our sale. ♥
